What's On

February/March 2012

Your bi-monthly guide to what's on at your local Belong village

Village centre open to the public!

Last few places remaining

Belong Atherton launched last spring and now has just a few spaces remaining in small households providing 24 hour care.

Designed to accommodate up to 12 individuals in spacious suites with en-suite facilities, the setting promotes strong relationships between residents and support workers. The open plan layout with lounge, dining and kitchen spaces helps create a homely feel. To arrange a personal tour, please call **01942 316 556**.

Bistro specials

Our licensed bistro serves excellent food and snacks at all times of the day. We also provide a great take away selection and a range of 'special occasion' menus.

Pampering treats

There are some great New Year offers on all hair and beauty treatments, as well as a full range of complementary therapies.

Please contact the village on **01942 898 418** for details or to book an appointment.

Belong at Home – a service with a difference

Our team of skilled community support workers offer relationship centred care, providing practical and emotional support that enables older people to maintain a high quality of life in their own home.

Our rates start from just £7.50 per half hour and the service can be paid for from the budget your local authority has provided you with. Contact us on **01942 316 556** if you'd like more information on personal budgets and the Belong at Home service.

New activities planned for 2012!

We will be busy organising a brand new programme of activities at the village for everyone in 2012 and would welcome your ideas.

Either pop into the village, contact us on **01942 898 410** or email us at atherton@belong.org.uk with your suggestions.

Experience Days – a refreshing alternative

Why not try our new 'Experience Days' service as a refreshing alternative to traditional day care.

Experience day guests are invited to enjoy the village facilities and activities, with support available for those who need it. For a service that will always exceed your expectations, contact us on **01942 316 616** to find out more.
