Apartment living

For independent individuals or couples, moving to Belong offers the opportunity to start your new life in a light, modern apartment.

With a choice of one or two bedroom apartments and superb village facilities on site, a Belong apartment is a place where you can be yourself, entertain old friends and have the opportunity to make new ones.

Vibrant Community

It is a haven of privacy, with a vibrant community right on your doorstep. Village facilities, from bistro to hair salon and gym to function rooms, are open to the wider community and offer opportunities to meet with a range of people and pursue your interests. You can join in as much, or as little, as you please.

Experience Days Service*

Apartment customers who need more support to join in with activities can do so by taking advantage of our Experience Days service, which is a facilitated programme for small groups, typically taking place from 10am – 4pm daily.

Gym*

Belong provides an award-winning exercise service with state-of-the-art equipment and dedicated exercise specialists who work with customers to create personalised programmes. Our team has a proven track record in improving strength, balance, mobility and overall wellbeing for older people.

Support in your home*

For those in need of more support within their apartment, Belong is able to provide high quality home care through its registered Belong at Home domiciliary service. Belong at Home Southport is rated 'Outstanding' by the Care Quality Commission. Customers may also choose their own home care provider.

The Belong lifestyle is actively chosen by many older people, because it offers peace of mind, choice and independence. Everything we do is done in partnership with the people who choose to live with us and this relationship is at the heart of Belong.

‘Buy back’ scheme and financing options

Apartments are available to rent or purchase, or part purchase with a monthly community fee, payable in all cases to cover many of the building maintenance, utilities and emergency response costs. Please see the Key Facts document for details of the financial arrangements for renting or purchasing a Belong apartment.

For those who do opt to purchase, the ‘Buy Back’ scheme guarantees that we’ll repurchase your apartment from you, ensuring a frictionless process. The amount you receive will be the price that you originally paid, minus the Deferred Management Fee and any arrears owing to Belong.

The Deferred Management Fee allows part of the cost of village living to be paid when the apartment is sold, helping to reduce your regular costs and leaving you with more of your money to enjoy during your time at Belong. The fee helps us maintain and renew the buildings, communal spaces and village environment, so that Belong remains a high-quality place to live both now and in the

future. As part of this commitment, Belong takes full responsibility for significant future maintenance and refurbishment of the village. This reduces the risk of tenants being faced with unexpected individual bills for major works.

The Deferred Management Fee is based on how long you have lived in your apartment. It is calculated as follows:

15% of the original purchase price if you have lived in your apartment for up to two years

17.5% of the original purchase price if you have lived in your apartment for more than two years but less than three years

20% of the original purchase price if you have lived in your apartment for three years or more.

As an example, the tables below show what you would receive at the end of your tenure if you bought an apartment costing either £222,000 or £324,000. They show different amounts depending on how long you own the apartment.

Year of Ownership	Property Cost	Buyback Price	Deferred Management Charge	Buyback Price less Deferred Management Fee

Apartment Community Fees

The Community Fee is operated in compliance with the Landlord and Tenant Act 1985 which regulates residential service charges in England and Wales. Community Fees are applicable to both tenants and leaseholders. Fee rates are set based on a fair apportionment of Belong Birkdale costs across the apartments in relation to costs associated with the apartments and communal areas.
